

COOKIES POLICY

Toshiba International Corporation (“TIC”) may collect information about your browser and usage activity on our Site using cookies, web beacons, and other technologies. In particular, we may obtain: the IP address of the computer you are using; the name of the domain you use to access the Internet; the date, time and length of your visit, device, browser, and the pages you visited. We use this information in order to present relevant content to a user for both marketing and informational value, to assist with diagnosing and solving problems with our server, and to assist with the administration of our Site.

We use cookies for Site navigation, to promote relevant content, and for advertising. “Cookies” are bits of text data sent from a Web server to a user’s computer to be retrieved later for purposes of identification. TIC uses temporary cookies which are deleted at the end of each user session as well as persistent cookies. We also allow third parties to view, edit, or set their own cookies and technologies for remarketing purposes. The use of these technologies by such third parties is subject to their own privacy policies and is not covered by this Cookies Policy.

By continuing to use our Site, you are agreeing that we may place cookies on your computer. Please read this Cookie Policy carefully for more details about the information we collect when you use this Site. If you do not wish to accept cookies in connection with your use of this Site, you must stop using our Site.

Cookies on our Sites are generally divided into the following categories:

- **Strictly Necessary Cookies:** These are required for the operation of our Sites. They include, for example, cookies that enable you to log into secure areas. These cookies are session cookies that are erased when you close your browser.
- **Analytical/Performance Cookies:** These allow us to recognize and count the number of users of our Sites and understand how such users navigate through our Sites. This helps to improve how our Sites works, for example, by ensuring that users can find what they are looking for easily. These cookies are session cookies which are erased when you close your browser. We use Google Analytics, and to learn more about the use of cookies for Google analytics and to exercise choice regarding such cookies, please visit <https://policies.google.com/technologies/types>
- **Functional Cookies:** These improve the functional performance of our Sites and make it easier for you to use. For example, cookies are used to remember that you have previously visited the Sites and asked to remain logged into it. These cookies qualify as persistent cookies, because they remain on your device for us to use during a next visit to our Sites. You can delete these cookies via your browser settings.
- **Targeting Cookies:** These record your visit to our Sites, the pages you have visited and the links you have followed to recognize you as a previous visitor and to track your activity on the Sites and other websites you visit. These cookies qualify as persistent cookies, because they remain on your device for us to use during a next visit to our Sites. You can delete these cookies via your browser settings. See below for further details on how you can control third party targeting cookies.

Control Over Cookies

You can review your internet browser settings, typically under “Help” or “Internet Options” to exercise choices you have for Cookies on your computer or device.
